

## CHANGES TO PUBLIC HEALTH AND WORKPLACE SAFETY MEASURES

Ontario continues to gradually ease public health and workplace safety measures. The following changes are in effect as of March 1, 2022:

- Capacity limits have been lifted in all indoor public settings
- Proof of vaccination requirements have been lifted
- Businesses and organizations may choose to require proof of vaccination upon entry
- Other protective measures, such as mask/face covering requirements and passive screening of patrons remain in place
- Businesses and organization that are open must continue to have safety plans in place

For a full list of measures in effect, see [O.Reg.364/20](#)

Also on March 1st, 2022, an update to the COVID-19 worker and employee screening tool. This tool could be used to support workplaces that wish to continue voluntarily screening workers and employees.
